

# exosex<sup>®</sup> SP<sub>Tab</sub>

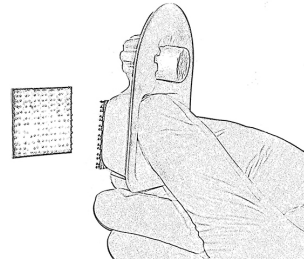

## Directions For Use

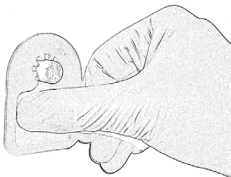

### Initial Assembly

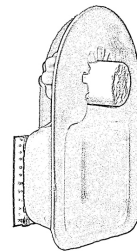

**Step 1.** Push tablet gently but firmly into dispenser, leaving approximately 50% of the tablet exposed.

**Step 2.** Remove plastic protection from sticky mounting on back of dispenser.

**Step 3.** Clean surface of substrate and press dispenser, tablet upper-most into position.

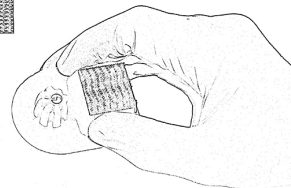

Correct mounting of tablet & dispenser.

### Tablet Replacement

**Step 1.** Carefully peel grip-lock to remove dispenser from substrate.

**Step 2.** Push out old tablet from the rear of the dispenser.

**Step 3.** Replace the new tablet and secure dispenser to substrate. (see steps 1 & 2).

**WARRANTY:** Exosect Ltd warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purposes stated on such label only when used in accordance with the directions for use under normal conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Unintended effects may result because of such factors as presences of other materials or the manner of use of application, all of which are beyond the use of Exosect Ltd. In no case shall Exosect Ltd. be liable for consequential, special or indirect damages resulting from the use or handling of this product. The buyer shall assume all such risks. Exosect Ltd. makes no warranties or merchantability or fitness for a particular purpose or any express or implied warranty, except as stated above.
